(hereinafter referred to as the "Union")

We would like to acknowledge and respect the traditional, ancestral, unceded territory of the Kwakwaka'wakw and we are grateful for the traditional Knowledge Keepers and Elders who are with us today, and for those who have gone before us. - (a) Shop Stewards may be appointed by the Union. Shop Stewards shall inform their supervisors of the need to be absent from work in order to attempt to resolve problems during working hours without loss of pay, but shall do so with a minimum of interruption of a work production period. No Shop Stewards will leave their assigned duties without permission, which shall not be unreasonably withheld. All time off taken for this purpose shall be reported in writing to the Employer.
- (b) The Union shall notify the Employer in writing of the name of all Shop Stewards and the area(s) they represent and the name of the Chief Shop Steward, before the Employer shall be required to recognize them. Union appointments of Shop Stewards to areas represented will, in all instances, be made in accordance with the requirement to minimize time spent away from the job and any adverse effects thereof.

11.02 Definition of Grievance

A grievance shall be defined as any difference arising out of the interpretation, application, operation, or alleged violation of the Agreement, including a question as to whether or not a matter is arbitrable.

11.03 Grievance Procedure

Any differences arising between the parties shall be resolved without work stoppage in the following manner:

Step 1

The individual employee, with or without the company of a Union representative, shall first discuss the matter with their supervisor within ten (10) work days of the occurrence of the alleged grievance.

If the matter is not resolved within five (5) work days, then:

Step 2

Within a further five (5) work days the matter shall be submitted in writing by the Chief Shop Steward, President or designate to the Secretary-Treasurer of the Employer or designate, with a copy to the supervisor. The

written submission shall include the nature of the grievance, circumstances from which it arose, and relevant provisions of the Agreement and/or legislation. The Secretary-Treasurer or designate shall meet with the appropriate Union representative within ten (10) work days of the written submission and attempt to resolve the matter. By mutual agreement the grievor and/or the supervisor may be interviewed at the Step 2 meeting. If the matter is not resolved at this time within a further five (5) work days, then:

Step 3

Within a further ten (10) work days from receipt of the Employer's written response the matter shall be discussed between a Grievance Committee of the Employer consisting of one (1) Trustee and the Secretary-Treasurer, and the Grievance Committee of the Union consisting of two (2) members of the Union. All such meetings shall be under the Chairpersonship of the Trustee. By mutual agreement the grievor and/or the supervisor may be interviewed at the Step 3 meeting. Should the matter not be resolved within ten (10) work days from receipt of the Employer's written response, then the matter shall be referred to Arbitration as outlined in Article 12.

11.04 Policy Grievance

Where a dispute involving a question of general application or interpretation occurs or when a group of employees has a grievance, such grievance shall be submitted directly to the Secretary-Treasurer.

The Employer and/or the Union shall have the right to submit, in writing, any dispute of a general nature to the other party.

In the case of a dismissal or a suspension, Step 1 of the grievance process may be by-passed.

11.06 Resolution in Writing

Final resolution of a grievance shall be reduced to writing and signed by the Union and the Employer or their designates.

ARTICLE 12 - ARBITRATION

12.01 Composition of the Board of Arbitration

When either party requests that a grievance be submitted to a Board of Arbitration, the request shall be made in writing to the other party of the Agreement indicating the name of its nominee to the Arbitration Board. Within thirty (30) days thereafter, the other party shall answer in writing indicating the name and address of its appointee to the Arbitration Board. The two (2) Arbitrators shall then meet to select an impartial Chairperson.

12.02 Failure to Appoint

If the party receiving the notice fails to appoint an Arbitrator, or the two (2) appointees fail to agree upon a Chairperson within ten (10) days of their appointment, the appointment shall be made by the Minister of Labour upon request from either party.

12.03 Board of Arbitration Procedure

The Board of Arbitration shall determine its own procedure but shall give full opportunity to all parties to present evidence and make representations. It shall hear and determine the difference or allegation and render a decision within ten (10) days from the time the Chairperson is appointed.

12.04 Decision of the Board of Arbitration

The decision of the majority shall be the decision of the Board of Arbitration. Where there is no majority decision, the decision of the Chairperson shall be the decision of the Board of Arbitration. The decision of the Board of Arbitration shall be final, binding and enforceable on all parties and may not be changed. The Board of Arbitration shall not have the power to change this Agreement or alter, modify or amend any of its provisions. However, the Board of Arbitration shall have the power to dispose of a grievance by any arrangement which it deems just and equitable and is in keeping with this Agreement.

12.05 Disagreement on Decision

Should the parties disagree as to the meaning of the Board of Arbitration's decision, either party may apply to the Chairperson of the Board of Arbitration to reconvene the Board of Arbitration to clarify the decision, which it shall do within thirty (30) days.

12.06 Expenses of the Board of Arbitration

Each party shall pay:

- (a) the fees and expenses of the Arbitrator it appoints;
- (b) one-half (1/2) of the fees and expenses of the Chairperson.

12.07 Amending of Time Limits

The time limits fixed in both the Grievance and Arbitration Procedures may be extended by consent of the parties to this Agreement.

12.08 Witnesses

At any stage of the Grievance or Arbitration Procedure the parties shall have the assistance of any employees concerned as witnesses and any other witnesses. All reasonable arrangements will be made to permit the conferring parties or the Arbitrators to have access to the Employer's premises to view any working conditions which may be relevant to the settlement of the grievance.

12.09 Single Arbitrator

Notwithstanding the above, the parties may by mutual agreement refer the dispute to a single Arbitrator, with each party paying one-half (1/2) of the cost of such single Arbitrator. The single Arbitrator shall have the same powers as an Arbitration Board.

12.10 Authority of the Arbitrator

- (a) It is the intent of both parties to this Collective Agreement that no grievance shall be defeated merely because of a technical error in processing the grievance through the grievance procedure. To this end an arbitrator shall have the power to allow all necessary amendments to the grievance and the power to waive formal procedural irregularities in the processing of a grievance in order to determine the real matter in dispute and to render a decision according to equitable principles and the justice of the case.
- (b) The arbitrator shall not have jurisdiction to alter or change the provisions of the Collective Agreement or to substitute new ones.
- (c) The provisions of this article do not override the provisions of the *B.C. Labour Relations Code*.

ARTICLE 13 - DISMISSAL AND DISCIPLINE

13.01 Discipline, Suspension and Dismissal

Any employee may be disciplined, suspended or dismissed for just and reasonable cause by the Employer. Should just and reasonable cause not be determined, the employee shall be reinstated with full benefits and paid for lost time, and any record of an investigation, discipline, suspension or dismissal shall be removed from the employee's personnel file.

13.02 Reasons for Discipline or Dismissal

When an employee is disciplined or dismissed, the employee shall be given the reason for the action.

13.03 Right to Representation

Where the Employer will be meeting with an employee for the purposes of discipline, suspension, discharge, investigation, or to issue a letter of expectation, a Shop Steward, or Union Representative shall be present. The Employer shall notify the Union President, or designate, prior to the meeting taking place. The Union President or designate will provide the Employer with the name of the Shop Steward or Union Representative assigned to the file.

13.04 Written Notification

- (a) In the event an employee is suspended, or is dismissed, the employee shall be provided with written notification specifying the action taken and the reasons for the action. When an employee is issued a written warning it shall include the reasons for the warning(s). The written warning or the written notification will be presented to the employee with a copy to the Union in the course of the meeting noted in Clause 13.03, or within five (5) work days of such meeting.
- (b) Whenever the Employer deems it necessary to issue an oral warning to an employee in a manner indicating that dismissal may follow any repetition of the act complained of or omission referred to, the Employer shall, within five (5) work days thereafter, give written particulars of such warning to the employee involved, with a copy sent to the Union President electronically.

13.05 Crossing of Picket Lines During Strike

An employee covered by this Agreement shall have the right to refuse to cross a legal picket line or to handle goods from an employer where a strike or lockout is in effect. Failure by a member of this Union to cross such a legal picket line or handle goods from an employer where a strike or lockout is in effect shall not be considered a violation of this Agreement nor shall it be grounds for disciplinary action other than the loss of pay for the period involved.

ARTICLE 14 - SENIORITY

14.01 Seniority Defined

Seniority is defined as the length of service in the bargaining unit and shall be applied on a bargaining-unit-wide basis except as otherwise provided in this Agreement.

14.02 Role of Seniority in Promotions, Transfers & Staff Changes

Both parties recognize:

- (a) the principle of promotion within the service of the Employer;
- (b) that job opportunities should increase in proportion to the length of service.

In the appointment of regular employees, seasonal employees, and temporary employees with seniority rights to vacancies or new jobs, ability and qualifications as per job descriptions shall be the primary consideration, and seniority shall be the determining factor. No outside applicant shall be appointed to a vacancy or new job if a regular employee, seasonal employee, or a temporary employee with seniority rights, who possesses the necessary qualifications, has applied for the vacancy or new job.

14.03 Retention/Accrual/Loss of Seniority

Employees shall not lose seniority rights nor have their continuous service record interrupted if they are absent from work as a result of sickness, accident or leave of absence with pay approved by the Employer, except as otherwise provided in this Agreement.

Employees shall not lose seniority but shall cease to accrue seniority during periods of layoff except as otherwise provided in this Agreement.

Seasonal and regular ten (10) month employees shall accrue twelve (12) months of seniority per year.

Seniority shall cease to accrue for any leaves of absence without pay exceeding sixty (60) work days. This provision will not apply with respect to Pregnancy/Paternity and Parental/Adoption Leave as provided in Clause 23.10.

Employees shall only lose their seniority or continuous service in the event:

- (a) They are dismissed for just and reasonable cause and are not reinstated.
- (b) They resign.
- (c) Following a layoff they fail to return to work within fourteen (14) calendar days after being notified by registered mail to do so, unless good and sufficient cause is given by the employee. It shall be the responsibility of the individuals to keep the Employer informed of their current address.
- (d) An employee who is on layoff for a period in excess of:
 - (i) Twelve (12) months for employees with five (5) years or less of continuous employment.
 - (ii) Eighteen (18) months for employees with more than five (5) years of continuous employment.

Layoff shall be extended in accordance with Clause 14.08 (e).

- (e) An employee on approved leave of absence without pay fails to return to work at the prescribed time in accordance with the terms of leave of absence being granted, and an extension of such time has not been granted prior to the expected termination date.

14.04 Notice of Resignation

An employee voluntarily leaving the service of the Employer shall be required to give the Secretary-Treasurer two (2) weeks' notice of termination of employment.

14.05 Probation for New Employees

- (a) New employees will be considered probationary for three (3) consecutive months of continuous employment excluding periods of layoff and leaves of absence from their initial date of appointment.
- (b) Employees who the Employer feels may aspire to a position if given an extension of probation may be granted an extension of thirty (30) calendar days upon mutual agreement with the Union.
- (c) During a probationary period, an employee may apply for another position, they may resign, or they may be terminated for failure to meet the Employer's standards of performance.

14.06 Seniority List

- (a) A seniority list of regular employees followed by temporary employees with seniority shall be published by the Employer on or before July 31 and January 31 of each year, as of June 30th and December 31st, and a copy sent to the Secretary of the Union.
- (b) Where seniority is equal for employees hired on or after September 1st, 1992, the employee with greater seniority will be determined by lot.
- (c) Where seniority is equal for employees hired prior to September 1st, 1992, the employee whose written application arrived in the hands of the Employer first shall be considered to be the most senior employee.

14.07 Temporary Employees

- (a) Temporary employees with up to one hundred fifty (150) accumulated days of service shall not lose such service unless they are not called in to work for a period of six (6) calendar months, they resign, or are terminated.
- (b) Temporary employees with more than one hundred fifty (150) accumulated days of service shall obtain seniority rights (except Article 16), and shall not lose such rights unless they are not called in to work for a period of twelve (12) calendar months, they resign, or are terminated.
- (c) A temporary employee who fails to meet the Employer's standards of performance may apply for another position, resign, or be terminated.

- (d) A temporary employee, upon being appointed to a regular position, shall serve a period of probation in accordance with Clause 14.05.
- (e) The length of service of a regular employee and temporary employee with seniority shall include all days worked as a temporary employee that have been accumulated and not lost in accordance with this Article.
- (f) The formula for calculating length of service as temporary employees is – years of service = days paid/two hundred fifty (250).

14.08 Increased Hours of Employment

- (a) Provided that the employees are qualified and have registered with the Employer for work in particular job classifications, temporary vacancies of less than ninety (90) calendar days shall be offered firstly to laid off employees, or secondly, to part-time employees, and thirdly, to temporary employees with seniority rights, in order to allow them to gain or increase their hours of employment.
- (b) In order to accommodate the above, the Employer shall maintain the following lists by seniority:
 - (i) employees who are laid off;
 - (ii) part-time employees who wish to increase hours by accepting a temporary position (employees with less than one (1) hour of availability per day will not be included);
 - (iii) temporary employees with seniority rights.

The Employer will distribute the lists to all supervisors on a monthly basis from September to June, unless no changes have occurred in the prior month.

- (c) Employees shall be registered in particular job classifications as soon as they provide proof that they possess the necessary qualifications as per job descriptions, prior to being offered additional hours.
- (d) Following the temporary appointment, employees shall revert to their original status.
- (e) Part-time employees shall retain their own hours when they apply for additional hours of work. The retention of hours may be waived for employees who work five (5) hours per week or less. Employees on layoff status referred to in this Article, are subject to the

provisions of Clause 14.03 (d). The recall period will be extended by the number of days worked under Clause 14.08.

- (f) Notwithstanding the provisions regarding increased hours the Employer may call out and/or offer limited, short-duration non-scheduled hours and/or overtime, to incumbent employees where it is not practicable to apply those provisions.

14.09 Refusing Increased Hours of Employment

A part-time employee who requests to be placed on the list for increased hours and then refuses three (3) consecutive assignments shall be removed from the list for a period of six (6) months. Such employees shall be advised they are being removed from the list and shall be given a full opportunity to explain the reasons for the refusals, and to show cause for their immediate reinstatement to the list.

ARTICLE 15 - PROMOTIONS AND STAFF CHANGES

15.01 Vacancies and New Jobs

If any vacancy or new job is created, such vacancy or new job must be posted on all bulletin board for a minimum of five (5) working days and may be concurrently advertised outside, where it is unlikely there would be a qualified internal applicant.

If the hours of work for an existing position are increased by two (2) hours per day (or ten (10) hours per week) or more, such a position will be treated as a new job and will be posted in accordance with the above.

(HEREINAFTER REFERRED TO AS THE "UNION")

RE: APPRENTICESHIP PROGRAM

I. Purpose

- 1.01 It is understood that the apprenticeship program is an evolving educational program. A person entering an apprenticeship is entering a "tri-partnership" involving the apprentice, the Board of Education of School District No. 85 and CUPE Local 401. Efforts will be made by all parties to ensure that the apprenticeship program remains a viable educational entity.
- 1.02 The Employer and the Union agree to co-operate in the establishment of an apprenticeship program the purpose of which is to:
- (i) Provide on-the-job training for employees as apprentices in trades in which there are expected to be vacancies or new positions created by the end of the apprenticeship training period.
 - (ii) Provide current employees of the district an opportunity to upgrade their skills to become journeypersons.
 - (iii) Provide the Employer with superior quality employees while at the same time protecting the rights and prerogatives of Union members.
- 1.03 The Employer and the Union agree that the implementation of the apprenticeship program shall in no way result in the layoff or reduction of hours of any current employee.

II. Apprenticeship General Provisions

- 2.01 A committee comprising of up to two Union and two Employer representatives will be established should a vacancy for an apprenticeship be identified to finalize any other matters relating to the apprenticeship that are required.

- 2.02 It is recognized that some unforeseen problems may arise in respect to this first Apprenticeship Training Program. Therefore, it is agreed that such problems shall be discussed between the Union and the Employer with a view to the settlement of the problems to the mutual satisfaction of both parties.
- 2.03 The apprenticeship process will be governed first by the provincial and national governing bodies responsible. All apprentices shall be employed in accordance with the provisions of the *Industry Training and Authority Act* and the *Labour Relations Code*, and the parties hereto agree to observe all provisions of said Acts.
- 2.04 Apprentices shall be bound by all provisions of the Collective Agreement except as altered by this agreement.
- 2.05 Apprenticeship programs covered by this agreement are in the trades of Electrician, Plumber, Automotive Service Technician, Carpenter and Painter.

III. Selection Criteria and Qualifications

- 3.01 In order to be considered, an applicant must:
- (i) Pass an entry level apprenticeship aptitude test administered by the employer based on the aptitude test template provided,
 - (ii) Meet the requirements of the institution where coursework will be taken (for example, Math and Physics 12), and
 - (iii) Demonstrate a legitimate interest in the trade being applied for.
- 3.02 Every journeyperson taking on an apprentice shall be required to have a B.C. trades qualification (TQ) certificate of proficiency and a certificate of apprenticeship or its equivalent in their designated trade as required by the Act. Before work can commence, the employer and apprentice must apply and register as the sponsor employer and apprentice respectively with the *Industry Training Authority* (ITA).

IV. Post and Fill and Seniority

- 4.01 Apprenticeships will be posted and filled in accordance with the job posting language contained in the current Collective Agreement between the parties. First consideration will be given to internal applications prior to any external considerations subject to the employee meeting the qualifications set out in III (3.01).
- 4.02 It is agreed that no apprentices would be hired to work for School District No. 85 in a trade in which there are laid off tradespersons either still employed in other classifications with the district or still on layoff with recall rights as specified.

V. Retention

- 5.01 Apprentices will serve the required number of levels (each level of training is at least twelve calendar months and includes both the trade's required hours of practical experience and technical training term) and upon successful completion of all levels of that trade shall be given seniority equal to their apprenticeship training time with the Employer. Present employees having established seniority with the Employer prior to becoming an apprentice shall continue to accrue seniority for the duration of the Program save and except for lay-off and bumping rights which shall be suspended. All employees selected for apprenticeship training shall be protected in the case of lay-offs except when a reduction in the work force in their trade to which they are indentured occurs.
- 5.02 An apprentice will not necessarily be guaranteed a position when they have obtained a certificate of proficiency, or a certificate of apprentice or journeyman certification in their designated trade.
- 5.03 Apprentices employed by the Employer, shall be notified at least one (1) calendar month prior to the completion of their apprenticeship of any positions vacant in the trade to which they have apprenticed.
- 5.04 Every apprentice (i.e., new employees only), who has obtained a certificate of proficiency or a certificate of apprenticeship in their designated trade under the Act, for whom no journeyman's position is immediately open with the Employer shall be retained on staff with the Employer for a maximum of six (6) months at the final step of the appropriate apprentice pay scale as provided in their contract of apprenticeship; and after expiration of the said six (6) month period, the Employer shall have no obligation to continue their employment.
- 5.05 In the event a position is not available for a graduate apprentice as a journeyman in their trade, they shall exercise their seniority as per the Collective Agreement.
- 5.06 In the event that the apprentice leaves before the completion of the apprenticeship or subsequent 6 months in the district, they will have to pay back 50% of the cost borne by the SSEAC committee.

VI. Apprenticeship Probation

- 6.01 An employee who applies to the Employer to enter into an apprenticeship contract with the Employer and is accepted as a prospective apprentice shall serve a three month probationary period.
- 6.02 Upon the completion of the probationary period by the apprentice to the satisfaction of the Employer, the apprentice shall execute an apprenticeship

contract and the three month probationary period shall be considered part of the first year of apprenticeship.

- 6.03 Any employee who fails to complete the probationary period for any reason or fails to execute an apprenticeship contract shall retain their overall district seniority and shall be transferred back to their former position (or otherwise exercise their seniority) pursuant to the Collective Agreement.

VII. Apprenticeship Contracts

- 7.01 Apprenticeship contracts shall be prepared before the end of the probationary period and shall be signed by the apprentice (and, if a minor, their parent or guardian). Each applicant for an apprenticeship (and if they are a minor, their parent or guardian) shall be given an opportunity to read a statement of apprenticeship standards before signing the apprenticeship contract.
- 7.02 Every apprenticeship contract entered into under these standards of apprenticeship shall contain a clause making these standards a part of the agreement with the same effect as if expressly written therein. Copies of each apprenticeship contract, completely filled out, shall be given to the apprentice and the Union.
- 7.03 Where an apprentice is absent from work for more than 20 consecutive working days in any year, the Employer can extend the term of such apprentice's contract for the duration of the sickness, injury, or leave of absence. Any wage increments normally due will be delayed accordingly, and the Union advised in writing. (Formal course attendance is governed by clauses 9.04 and 9.05).

VIII. Supervision

- 8.01 The ratio between apprentices and journeypersons can be up to but should not exceed 1:1 except as mutually agreed to by the parties.
- 8.02 The Employer will ensure that apprentices be given the necessary on-the-job practical training; Apprentices shall perform work under the direction of a journeyperson.
- 8.03 Journeyperson employees will participate in providing feedback to the appropriate supervisor on the progress of the apprentices.
- 8.04 If the district does not have a journeyperson for the trade in which they are seeking an apprentice, arrangements can be made to partner with an alternate employer or journeyperson.

IX. Course Work

- 9.01 A leave of absence, without pay, will be approved by the Employer for all classroom time required by apprentices. Apprentices will seek employment insurance benefits while attending school and the employer will arrange for the continuation of all benefits while attending school.
- 9.02 Receipts and documentation for coursework and education related expenses must be provided to the district before any agreed upon reimbursement takes place.
- 9.03 The employer shall supplement the apprentice's Employment Insurance with a \$2,000 allowance upon proof of successful completion of that school segment.
- 9.04 With the exception of the incentives/reimbursement established by the plan or as outlined in existing collective agreement provisions, apprentices will be responsible to cover all remaining costs associated with their education.
- 9.05 Apprentices shall be required to attend any and all classes pertaining to their trade.
- 9.06 In cases of failure on the part of any apprentice to fulfill their obligations in respect to school attendance, the employer shall have the authority to suspend or revoke the apprenticeship and agreement, and will notify the Union of the violation. The employer's recommendation to suspend or revoke the apprenticeship and agreement will not be subject to the grievance procedure.
- 9.07 Where an apprentice incurs delay, through no fault of their own, in taking one of the tests due to unavailability of an examination or rescheduling of an examination, the delay shall not prejudice their right to any wage increments provided for in this agreement. Such pay due and owing shall not be paid, however, until the apprentice has passed the examination, but shall be retroactive to the increment date. Responsibility for providing examination results rests solely with the employee.
- 9.08 An apprentice failing the qualifications exam shall be permitted to repeat the examination only once at the next available examination period if their superintendent considers their in-shop performance adequate. Should the second examination be failed, the apprentice's contract shall be terminated and they shall revert to their previous regular position, if applicable, or exercise seniority rights as per the collective agreement, or be laid off.

X. Hours of Work

- 10.01 The apprentice's hours of work shall be the same as the regular hours of work of the journeyman with whom they are working.

10.02 If required, apprentices shall be paid overtime rates in accordance with the overtime provisions contained in the current Collective Agreement, based on the apprentice's regular rate of pay.

XI. Pay

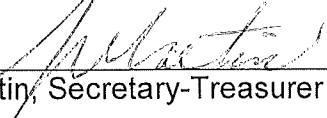

11.01 Rates of pay for apprentices shall be as follows: The first six months of the apprenticeship shall be at 55% of the appropriate trade rate of pay as per Schedule A of the Collective Agreement, increasing by 5% for every additional 6 months of work. Rates of pay for apprentices based on the trades rates of pay are set out in Schedule C.

Signed this 21 day of Sept, 2023.

 - ii) If the Co-holder is a temporary employee with seniority rights, the Co-holder shall retain their status as a temporary employee.

V. Trial Period

In order to provide a reasonable timeframe in which to examine the suitability of each Job Sharing arrangement, each Job Sharing arrangement will be considered for a trial period of ninety (90) calendar days, and the arrangement can be terminated during this time by either Party if the arrangement is deemed to be unsuitable. During the trial period of each Job Sharing arrangement, any vacancy created through the process, will be filled on a temporary basis.

- (c) Any hours worked in excess of the scheduled workday or the scheduled workweek shall be paid at the appropriate overtime rate. As part of the Job Sharing arrangement, each employee shall work the equivalent of a full-time employee scheduled workday or workweek before overtime rates are paid.
- (d) The employee's share of the premium payments for benefits, such as Medical, Extended Health, Dental and Group Life, shall increase proportionately as the number of scheduled weekly hours decrease in relation to the regular hours of the position being shared. The Employer's share of benefit premiums and F.T.E. cost will not exceed the total cost normally incurred for one (1) regular full-time position.

VIII. Vacation Entitlement & Public Holidays

The employee's annual vacation entitlement and public holiday entitlement shall be earned on a proportionate basis in accordance with the ratio that the employee's scheduled weekly hours bears to the regular hours of the position being shared.

The cost sharing arrangement shall continue on the same percentage basis applied to the reduced earnings. Pensionable service will be accrued on a prorated basis.

LETTER OF UNDERSTANDING No. 3

BETWEEN:

THE BOARD OF EDUCATION OF SCHOOL DISTRICT NO. 85
(VANCOUVER ISLAND NORTH)

AND:

THE CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 401

RE: EMPLOYMENT EQUITY –INDIGENOUS EMPLOYEES

Introduction:

The Parties agree that the hiring of Indigenous Employees is critical to developing a bridge of understanding between students, staff and the community. About forty-five per cent (45%) of the students in School District No. 85 have Indigenous ancestry. About twenty-three and a half per cent (23.5%) of the community population in School District No. 85 has Indigenous ancestry and the Employment Equity Program will gradually allow the workforce to reflect the community population. Historically, the education system has not engaged Indigenous students fully. Indigenous students would benefit from Indigenous employees who would act as role models. It is intended that the Employment Equity program will improve the academic achievement and graduation rates of Indigenous students.

Process:

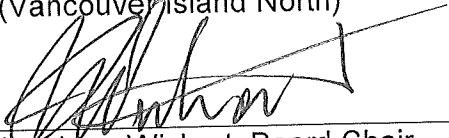

1. Employees and prospective employees of Indigenous ancestry will follow an agreed-upon self-identification process.
2. Indigenous ancestry with the necessary qualifications will be given preference for external postings, where there are no qualified applicants with seniority.
3. Applicants of Indigenous Ancestry shall be a necessary qualification for any position supported through targeted Indigenous Education funding.
4. No CUPE member that is in a position supported through targeted Indigenous Education funding shall be laid off or terminated as a result of this agreement.
5. The Parties will meet to review the Employment Equity Program upon request from either Party.

This Letter of Understanding is without prejudice to the positions of either Party in any existing arbitral procedure regarding the interpretation and/or application of the provisions of the Collective Agreement.

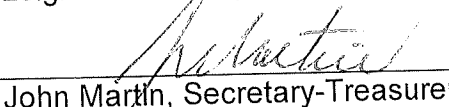

This Letter of Understanding shall be subject to review and renewal during a period of negotiation.

Signed this 21 day of Sept, 2023.

RE: TWO-WEEK SPRING BREAK

Whereas the School District has implemented a two-week Spring Break for 2019; and

Whereas the parties had negotiated an advance of vacation pay of up to five (5) days under the provisions of Article 21.04(b) to cover the previous one-week Spring Break schedule;

Therefore, the parties agree to waive the maximum five (5) day advance contained in Article 21.04 (b) and set a new maximum advance of eight (8) days for Spring Break subject to:

1. The advance of vacation during Spring Break will be calculated on the basis that employees will have at least one (1) day of vacation accrued as of the June layoff.
2. The calculation will be based on an assumption that employees will be at work after Spring Break until the June layoff.
3. Earlier resignation, termination or leaves without pay would result in a recovery of unearned vacation time from final pay.

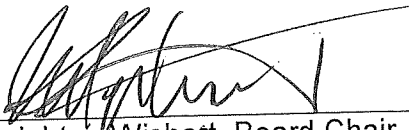

All other relevant parts of the article remain unchanged.

This agreement would become null and void should the Employer elect to return to a one (1)-week Spring Break in the future and is made without prejudice to either party, or any other school district.

- a) The chairing of the Committee meetings;
 - b) The scheduling of regular Committee meetings which include notification of appropriate supervisors for Committee members' attendance;
 - c) Establishing the priority of matters to be acted upon by the Committee.
- 3.3 Each party may appoint alternate representatives to serve as replacements for absent members. Alternate members shall have the right to vote only when replacing a regular Committee member who is absent.
- 3.4 The employer will provide administrative support to the Committee. These services shall be under the direction of the Co-chairs and shall include:
- a) The distribution of all Committee correspondence to the Committee Co-chairpersons;

- b) The preparation and distribution of meeting agendas forty-eight (48) hours prior to the meeting;
 - c) The preparation and distribution of minutes;

- 3.5 The Union Committee members and any alternates appointed by the union shall be granted leave of absence with pay and without loss of seniority for periods of time spent working on the Committee. These members shall continue to have all rights and privileges of the collective agreement.
- 3.6 When necessary, Union Committee members shall be replaced in their regular jobs for such time as they are working on the Maintenance Committee.

- 3.8 The Committee shall meet as necessary at a mutually agreed upon time and place. Each member shall receive notice along with the agenda for the meeting at least forty-eight (48) hours before the meeting. - 3.9 Either party to the agreement may engage advisors to assist its representatives on the Maintenance Committee. Any such advisor shall be entitled to voice but not to vote and shall not be considered to be a member of the Committee.

ARTICLE 4 – MANDATE OF THE MAINTENANCE COMMITTEE

The Joint Job Evaluation Maintenance Committee shall maintain the Job Evaluation Program by:

- b) Maintaining the Integrity of the program;
- c) Recommending to the parties changes to the job evaluation plan, its procedures or methods, as may be deemed necessary from time to time.

- e) Documenting decision criteria and precedents on an on-going basis for future Committee reference.

ARTICLE 5 – JOB RATING PROCEDURES

5.1 In the application of the job evaluation plan, the following general rules shall apply:

- a) Information on ratings, factors and subfactors is contained in the Job Evaluation Plan, also known as the Rating Manual (Appendix F).
- b) It is the content of the job, and not the performance of the incumbent(s), that is being rated;
- c) Jobs are evaluated without regard to existing wage rates;
- d) Jobs are rated at the appropriate degree level in each subfactor by comparing the specific requirements of the job to the subfactor definition, and the description of each degree level;
- e) The job analysis and rating of each job shall be relative to and consistent with the job descriptions and ratings of all other jobs rated under the plan;
- f) No interpolation of subfactor degrees (i.e. mid-points) is permitted;
- g) The factors and subfactors must have an impact on all jobs being rated;
- h) Rating decisions shall include a sore-thumbing process to ensure consistency in Committee decisions;
- i) A Committee member may be excused from rating his or her own job, the position of a direct subordinate, or any person where the rating of that job may place them in a conflict of interest situation.

5.2 Job Evaluation Procedures for Cyclical Review

- a) It is important that the parties maintain accurate job descriptions and job ratings on an on-going basis. Failure to do so will serve to damage the integrity of the program.
- b) It is the intention of the parties to complete a review of one third of all jobs every year.

- c) The incumbent(s) in the third of jobs selected for job evaluation, and their supervisors, shall complete and submit Request for Review of Changed Duties Forms for the cyclical review.
- d) Where further information is required, interviews may be held with incumbents and/or supervisors and/or visits to the workplace may occur. Based on this information, the Committee shall update the job description as necessary.
- e) If the rate of pay increases as a result of the job evaluation at the cyclical review, such increase shall be paid to each incumbent effective the date of the Maintenance Committee meeting. In the event that the rate of pay of the job decreases as the result of the job evaluation, the incumbent shall receive the existing rate of pay for a period of one year from the Maintenance Committee meeting date (27.03 of the Collective Agreement).
- f) The Maintenance Committee will also undertake job evaluations for any new jobs (see 5.3), any changed jobs (see 5.4) that have occurred since the last meeting and any requests for reconsideration (see 5.5).

5.3 Job Evaluation Procedures for New Jobs

Whenever the employer establishes a new job, the following procedures shall apply:

- a) The employer shall prepare a draft job description for the job and establish an interim pay rate for the job, based on the draft job description.
- b) Any person working in the job shall be paid the interim rate of pay and notified that the interim rate of pay is subject to Job Evaluation. Any posting for the job will contain the interim rate of pay and note that it is subject to job evaluation.
- c) At the next cyclical review of positions, the Maintenance Committee will request a Job Analysis Questionnaire completed by the incumbent(s) and supervisor along with suggested changes to the draft job description. Incumbents should be in the new job for at least 3 to 6 months before being asked to complete the questionnaire.
- d) Where further information is required, interviews may be held with incumbents and/or supervisors and/or visits to the workplace may occur.
- e) Based on this information, the Committee shall finalize the job description and rate the job.

- f) If the rate of pay is higher than the interim rate of pay, the increase shall be paid to each incumbent effective the date of his/her appointment to the job. In the event that the rate of pay of the job is lower than the interim rate of pay, the new rate of pay will be effective on the date of the Maintenance Committee meeting.

5.4 Job Evaluation Procedures for Changed Jobs

Whenever the employer changes the duties and responsibilities of a job or the incumbent(s)/union feel that the duties and responsibilities of a job have been changed, or that the job description does not reflect the duties and responsibilities of the job, the following procedures shall be followed:

- a) The incumbent(s)/union and/or the supervisor/employer may request a job evaluation review by completing and submitting a Request for Review of Changed Duties Form.
- b) At its cyclical review meeting, the Maintenance Committee will consider all Request for Review of Changed Duties Forms received since the previous meeting. If the Committee agrees that there is insufficient information on the Request for Review of Changed Duties Form, it may request the incumbent(s) and supervisor to complete an up-to-date job analysis questionnaire.
- c) Where further information is required, interviews may be held with incumbents and/or supervisors and/or visits to the workplace may occur.
- d) Where the job has changed, the Committee shall review the job description, making changes if necessary and rate the job.
- e) If a job is rated at a rate of pay higher than its current rate, the rate of pay shall be adjusted to the higher rate retroactive to the date the Request for Review of Changed Duties Form was submitted. If a job is rated at a rate of pay lower than its current rate, all incumbents of such job shall continue to receive their existing rate of pay for a period of one year from the Maintenance Committee meeting date (25.03 of the Collective Agreement).

5.5 Job Evaluation Procedures for Reconsideration

If an employee(s)/union or supervisor/employer disagrees with a job rating and/or a job description, the following procedures shall be followed:

- a) The incumbent(s)/union and/or the supervisor/employer may request a job evaluation review by completing and submitting a Reconsideration Form. Any such request shall be submitted within sixty days of receipt of the Advice of Rating.

- b) At its cyclical review meeting, the Maintenance Committee will consider all Reconsideration Forms received since the previous meeting. If the Committee agrees that there is insufficient information on the Reconsideration Form, it may request the incumbent(s) and supervisor to complete an up-to-date job analysis questionnaire.
- c) Both the incumbent(s) and the supervisor shall be permitted to make a presentation to the Committee. Interviews may be held with incumbents and/or supervisors and/or visits to the workplace may occur.
- d) The Committee shall make a decision which shall be considered final and binding upon the parties and all employees affected. The Committee shall inform both the incumbent(s) and the supervisor of its decision.
- e) If a job is rated at a rate of pay higher than its current rate, the rate of pay shall be adjusted to the higher rate retroactive to the date the Reconsideration Form was submitted. If a job is rated at a rate of pay lower than its current rate, all incumbents of such job shall continue to receive their existing rate of pay for a period of one year from the Maintenance Committee meeting date (25.03 of the Collective Agreement):

ARTICLE 6 – SETTLEMENT OF DISAGREEMENTS WITHIN THE COMMITTEE

In the event that a majority of the Union members on the Maintenance Committee or a majority of the Employer members on the Maintenance Committee are unable to reach agreement on any matter relating to the interpretation, application or administration of the job evaluation program, the following steps will be followed:

- a) the parties will request the assistance of technical advisors (from CUPE and BCPSEA) to resolve the disagreement;
- b) if still unresolved, the matter will be referred to step 3 of the grievance procedure in the Collective Agreement.

ARTICLE 7 – APPLYING THE RATING TO THE RATES OF PAY

7.1 Job ratings serve to:

- a) group jobs having relatively equivalent point values (this is commonly referred to as banding);
- b) provide the basis upon which wage rate relationships between jobs are established;

- c) measure changes in job content;
 - d) assign jobs into their proper rate of rate of pay in Schedule A of the Collective Agreement.
- 7.2 The total point allocation shall be used to determine the rate of pay for the jobs. Rates of pay are provided in Schedule A of the Collective Agreement.
- 7.3 Effective March 1, 1999, all agreed to red circled rates were implemented. To protect the incumbents who were performing the work of the red circled positions, the Parties agreed that those employees, as enumerated in Schedule B of the Collective Agreement, would continue to receive the rates of pay in effect on January 1, 1998 and would receive all negotiated rates of pay increases. The parties agreed that any new hires in the red circled jobs would receive the banded rates of pay.

ARTICLE 8 - CONCLUSION AND IMPLEMENTATION

The Maintenance Committee shall report its recommendations for change to the job evaluation plan or its Maintenance Manual to the parties for ratification.

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.

- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:

- a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
- b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

- 3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
- 4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
- 5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;
- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.

- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020-

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a

process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

BCPSEA commits to providing a draft 2022 local collective agreement which includes all negotiated updates, within 30 days of ratification by the local parties. The draft collective agreement will be provided in editable format with changes tracked for the local parties to review.

BCPSEA agrees to coordinate the accumulation and distribution of demographic, classification and wage data, as specified in the Letter of Understanding dated December 14, 2011, to CUPE on behalf of Boards of Education. The data currently housed in the Employment Data and Analysis Systems (EDAS) will be the source of the requested information.

The rights and obligations of the local parties under this Provincial Framework Agreement are of no force or effect unless the collective agreement has been ratified by both parties no later than January 25, 2023, or a later date as established by the provincial parties if the local parties are engaged in mediation.

Dated this 15th day of September, 2022.
