AND PROVIDED FURTHER that this Agreement shall not apply in any event to positions excluded, including but not limited to, the excluded positions in ADDENDUM 'D'.

ARTICLE 1 - DEFINITIONS1.01 Employee

Wherever the word "employee" is used in this Agreement, it shall mean an employee of the Employer.

1.02 Permanent Full-time Employee

- (a) "Permanent full-time employee" shall mean any employee who works a full shift as per schedules noted in Article 16 (Hours of Work) and shall be entitled to all the rights of this Agreement on the first (1st) day of employment, and all benefits in accordance with Article 25.
- (b) Upon successful completion of the probationary period (Clause 12.01) seniority shall be determined as per Article 13.
- (c) It is agreed that employees who have not completed their probationary period but who have a favourable employee evaluation will be recalled.

1.03 Permanent Part-time Employee

- (a) A permanent part-time employee is one who is employed less than a full shift [see Letter of Interpretation] as per the schedules noted in Article 16 (Hours of Work). These employees shall be entitled to all the rights of this Agreement on the first (1st) day of employment and benefits under Article 25. Upon successful completion of the probationary period these employees shall have their seniority determined in accordance with Clause 13.01.
- (b) Permanent part-time employees shall be given first opportunity, in seniority order provided they are qualified, to work additional regular straight-time hours which become available within their Department, provided no overtime costs are incurred by so doing. Permanent part-time employees shall be eligible, provided they are qualified, to work additional straight time hours as an Auxiliary employee (Clause 1.04).
- (c) Those permanent part-time employees whose posted position has hours equal to or greater than twenty (20) per week are eligible for all benefits under Article 25. Permanent part-time employees who are appointed to more than one (1) permanent position and who have hours equal to or greater than twenty (20) per week are eligible for all benefits under Article 25.
- (d) Those permanent part-time employees whose posted position has less than twenty (20) hours per week will be eligible for benefits under Article 25 Clauses 25.02, 25.03, 25.04, 25.07 and 25.08.

1.04 Auxiliary Employees

- (a) Auxiliary employees are those employees working on an irregular and/or unscheduled basis or to augment the workforce to perform specific or short-term functions.
- (b) There are two (2) types of Auxiliary positions:
 - (i) short-term Auxiliary - zero (0) to ninety (90) calendar days;

- (ii) long-term Auxiliary - ninety (90) plus calendar days.

1.05 Short Term Auxiliary Employees

- (a) In no case will a short-term Auxiliary employee work for more than a ninety (90) calendar day assignment without the agreement of both parties. These Auxiliary positions will be filled by the exempt department supervisor from the Auxiliary pool without following the Job Posting process in Clause 14.01.
- (b) It is agreed that permanent part-time employees will have no priority to short-term Auxiliary hours outside of their own Department. Through mutual agreement between the Union and the Employer, a permanent part-time employee may be able to fill a full-time short-term Auxiliary position.
- (c) Laid off permanent employees who are on a recall list and who are qualified will have first priority for short-term Auxiliary hours.
- (d) To create and maintain the Auxiliary pool, the Employer will post a generic posting asking for applications from any discipline to the pool. The applicants will provide information with regards to their skills. Managers will be provided with a copy of the list of applicants from which to draw as required. Permanent part-time employees can apply to the Auxiliary pool with the knowledge that their part-time position must be maintained and takes priority over any Auxiliary hours.
- (e) Auxiliary employees shall only be utilized at the entry-level position of the Department where the work is required. The Employer may utilize Auxiliary employees in non-entry-level positions with agreement of the Union on a case-by-case basis.
- (f) Short-term Auxiliary employees who take a position for less than ninety (90) calendar days shall receive twelve percent (12%) in lieu of all of the benefits and other perquisites provided under this Agreement (annual vacation, sick time, statutory holidays, group life, extended health, dental, medical insurance). In addition, Auxiliary employees are eligible for jury duty and bereavement leave. Any permanent part-time employee who takes an Auxiliary position and who already has benefits coverage will not be eligible for this percentage in lieu of benefits but shall continue to receive benefits.

1.06 Long-Term Auxiliary Employees

- (a) Where an Auxiliary opening is known to be for a period beyond the ninety (90) calendar days, the position will be posted as per the Job Posting process in Clause 14.01. Permanent employees will have preference in filling these long-term Auxiliary positions.
- (b) This type of Auxiliary position would cover Maternity Leave, Leave of Absence, WorkSafeBC, Extended Illness, Seasonal Postings or other mutually agreed to circumstances.
- (c) Where a permanent employee successfully bids on a long-term Auxiliary position, time worked counts towards benefit entitlement. Upon completion of the long-term Auxiliary position the employee returns to their former position.
- (d) Laid-off permanent employees who are on a recall list and who are qualified will have first priority for long-term Auxiliary hours.

- (e) Long-term Auxiliary employees who take a position for nine (9) months or less shall receive twelve percent (12%) in lieu of all of the benefits and other perquisites provided under this Agreement (annual vacation, sick time, statutory holidays, group life, extended health, dental, medical insurance). In addition, Auxiliary employees are eligible for jury duty and bereavement leave. Any permanent employee who takes an Auxiliary position and who already has benefits coverage will not be eligible for this percentage in lieu of benefits but shall continue to receive their benefits.
- (f) Long-term Auxiliary employees who take a position for more than nine (9) months shall have the option to receive the health benefits that the employee that they are replacing was eligible for or receive the 12% in lieu of all the benefits and other perquisites provided under this Agreement. This selection must be made at the commencement of the position and cannot be altered for the duration of the long-term Auxiliary position. Any permanent employee who accepts a long-term Auxiliary position and who already has benefits coverage will not be eligible for this percentage in lieu of benefits but shall continue to receive their benefits.
- (g) Auxiliary employees appointed to a long-term Auxiliary position of six (6) months or less duration may not apply for another long-term Auxiliary position at the same or lower pay grade until they are within thirty (30) days of their current long-term Auxiliary assignment ending.

RE: Water Department Weekend & Statutory Holiday SCADA Checks

The parties have agreed to this letter of understanding to resolve grievance #CR-20-06 and all other current un-numbered, related grievances that concern payment for scheduled SCADA checks.

The Employer has established a requisite at this time that those Water Department employees required to standby as per Article 23.03 Standby Pay will, during their standby week, complete scheduled SCADA checks remotely, using the Employer supplied laptop, each Saturday, Sunday and statutory holiday. The frequency and timing of these SCADA checks will be determined by the Employer and may change over time as deemed necessary.

The Employer may at some time establish this same SCADA checks requirement for those Wastewater Department employees who are required to standby. Should that happen during the lifetime of this letter of understanding, this agreement will be deemed to apply to the Wastewater Department as well.

The parties agree that the Employer will provide compensation for the above-described SCADA checks in the amount of two (2) hours per check at the employee's straight time wage rate for Saturday and Sunday checks, and two (2) hours per check at the employee's double-time wage rate for statutory holiday checks. This compensation will be paid as it is earned and may not be banked. This compensation does not attract vacation pay.

Should circumstances necessitate the employee to physically attend the worksite to complete a SCADA check, Article 18.05 will apply.

Should a scheduled SCADA check coincide with a call-out, where the SCADA check is completed within the already initiated minimum two- or three-hour call-out timeframe described in Article 18.05, the employee will be deemed to have been compensated for the SCADA check through the call-out payment.

This agreement will become effective on the date of signing and there will be no retroactive compensation provided to any employees, with the exception that payment in accordance with the terms of this LOU will be made to:

1. grievor Gord Smith for the scheduled SCADA checks he completed on the long weekends of April 10-13, 2020 and May 16 -18, 2020; and,
2. those Water Department employees who performed scheduled weekend and statutory holiday SCADA checks while on standby between May 31, 2020, and the signing of this agreement.

This agreement will be reviewed by the parties six (6) months from the date of signing, and thereafter at any time upon the request of either party.

If at any time the Employer discontinues the requirement for scheduled SCADA checks on weekends and statutory holidays, thirty (30) days' notice will be given to the Union, and this agreement will cease to be in effect at that time.

This agreement is made without precedent or prejudice and resolves the Union's grievance #CR-20-06 as well as the other current un-numbered, related grievances that concern payment for scheduled SCADA checks.
